

# PEHP Dental

The Best Value in Utah

**Our pricing can't be beat! Check out the other side to see for yourself.**

**A**s employee benefits get more expensive and more of a hassle, here's a reason to smile.

Our low rates make PEHP dental an easy solution for Utah public employers. But it's more than just a great value.

» **We give you choices.** Pick among flexible plan options to fit your group's needs. Choose a plan with or without a deductible and with or without a waiting period.

» **We make it convenient.** Our online tools make life easy for you and your employees. Our Salt Lake City-based customer service team gives a quick, helpful response to any question or issue.

» **Our network can't be beat.** We cover state and other public employees throughout Utah. Our large dental network blankets the entire state. We even offer out-of-network coverage without reducing the benefit.

**peHP** Serving the Employees Who Serve Utah
