THE PUBLIC EMPLOYEES DOULA PROVIDER AGREEMENT is entered into as of _____ day of _____, 20__ between PUBLIC EMPLOYEES HEALTH PROGRAM, herein after PEHP, a program of the Utah State Retirement Board, an independent state agency and _____ herein after "PROVIDER".

SECTION 1 DEFINITIONS AND STANDARDS

- 1.1 **ALLOWABLE MEDICAL EXPENSE**. Any necessary, reasonable and customary expense covered by the Plan(s).
- 1.2 **COORDINATION OF BENEFITS**. PEHP's group Plans contain a non-profit provision to coordinate with other group plans under which a Member is covered so that the total benefits available will not exceed 100% of the Allowable Medical Expenses.
- 1.3 **COPAYMENT**. The portion of the cost of Covered Services that a Member is obligated to pay under the Plan(s), including deductibles, coinsurance, and Copayments. A Copayment may be either a fixed dollar amount or a percentage of the Allowable Medical Expense. The payment by a Member for non-Covered Services is not considered a Copayment and, therefore, does not apply to yearly out-of-pocket limits.
- 1.4 **COVERED SERVICES**. Health care services and supplies as defined under PEHP's Master Policy(ies) that are eligible for reimbursement or Payment under a Plan. PEHP'S Master Policy(ies) can be obtained online at www.pehp.org.
- 1.5 **ELECTRONIC TRADING PARTNER AGREEMENT**. An agreement in relation to the interchange of data by use of the myPEHP Provider website.

- 1.7 **FEE SCHEDULE(S)**. A schedule of allowable fees established by PEHP and accepted by PROVIDER.
- 1.8 **MASTER POLICY(IES)**. A complete and detailed overview of the benefits for the various PEHP medical Plans.
- 1.9 **MEDICALLY NECESSARY**. As provided in the Master Policy and as may be amended - Any covered healthcare services, supplies or treatment provided for an illness or injury which is consistent with the Member's symptoms or diagnosis provided in the most appropriate setting that can be used safely, without regard for the convenience of a Member or Provider. However, such healthcare services must be appropriate with regard to standards of good medical practice in the state of Utah and could not have been omitted without adversely affecting the Member's condition or the quality of medical care the Member received as determined by established medical review mechanisms, within the scope of the Provider's licensure, and/or consistent with and included in policies established and recognized by PEHP. Any medical condition, treatment, service, equipment, etc. specifically excluded in the Master Policy is not a Covered Service regardless of Medical Necessity.

- 1.10 **MEDICAL REVIEW COMMITTEE**. A committee which may consist of the Medical Director, Claims Managers, Claims Supervisors or other appropriate PEHP personnel. Based on established criteria, this committee has the authority to review, and approve or deny claims for Covered Services.
- 1.11 **MEMBER(S)**. A person who is eligible to receive Covered Services under a Plan included in this Agreement.
- 1.12 **PARTICIPATING PROVIDER**. A health care provider contracted with PEHP to provide health care services to Member in accordance with the Plan(s).
- 1.13 **PAYMENT**. A monetary amount established in the Fee Schedule(s) that PEHP pays to PROVIDER for Covered Services to Member.
- 1.14 **PLAN(S)**. The benefit program(s) administered by PEHP that are covered under this Agreement.
- 1.15 **PRE-AUTHORIZATION**. As defined in the Master Policy and as may be amended – The process, prior to service, that the Member and the PROVIDER must complete in order to obtain authorization for specific benefits of the Master Policy which may be subject to limitations and to receive maximum benefits for hospitalization, surgical procedures, durable medical equipment, pharmaceutical medication products, or other services as required. Preauthorization does not guarantee payment should a Member's coverage terminate, should there be a change in benefits, should benefit limits be used by submissions of claims in the interim, or should actual circumstances of the case be different than originally submitted. Unless otherwise stated, pre-authorizations are valid for 12 months from the date of the authorization, even if treatment has not been completed.
- 1.16 **PRE-NOTIFICATION**. The process a Member must follow in order to notify PEHP of an impending hospital admission.
- 1.17 **SUBSCRIBER**. An employee of the State of Utah, its political subdivisions or educational institutions who is eligible for and has elected coverage under the Group Insurance Program of Title 49, Chapter 20, of the Utah Code Annotated.

SECTION 2 PROVIDER RESPONSIBILITIES

- 2.1 PROVIDER agrees to render Medically Necessary Covered Services to the Member within the scope of PROVIDER's qualifications and consistent with generally accepted standards of medical practice.
- 2.2 PROVIDER agrees to obtain Pre-Authorization/Pre-Notification on all applicable services prior to rendering services. Pre-Authorization/Pre-Notification requirements can be obtained online at www.pehp.org. PROVIDER agrees to not knowingly refer Members to out-of-network providers or knowingly perform/authorize medically unnecessary services. Failure to obtain Pre-Authorization/Pre-Notification for services when required, even if those services are medically necessary, may result in PEHP applying out-of-network Member benefits to the Payment.
- 2.3 PROVIDER agrees to collect the applicable Copayments and accept as Payment in full the fees set forth in the Fee Schedule(s). Payment may be subject to Coordination of Benefits and Medicare provisions and PROVIDER agrees to follow all Coordination of Benefits and Medicare billing procedures.

- 2.4 PROVIDER agrees not to bill the Member for Covered Services or for any charges not specifically allowed by the Plan(s) for, or related to Covered Services. The types of charges for which PROVIDER cannot bill the Member include but are not limited to, service and interest charges (except those related to the collection of the Copayment or to the collection of charges for non-Covered Services) and/or unjustified after-hours charges. Unjustified after-hours charges are considered charges for those services rendered during PROVIDER's posted office hours. Notwithstanding the above, PROVIDER may bill the Member for non-Covered Services.
- 2.5 PROVIDER and PEHP agree to make appropriate and good faith adjustments to claims when incorrect Payments are made and/or when additional Payments may be appropriate. PROVIDER and PEHP further agree that they are entitled to adjustments for up to twelve (12) months following the adjudication of a claim. For claims involving Coordination of Benefits, PROVIDER and PEHP are entitled to adjustments for up to fifteen (15) months following the adjudication of such claims. PROVIDER shall be given written notification of any overpayment adjustments. PEHP shall not offset overpayment amounts against any current or future payments unless PROVIDER has not refunded the overpayment within thirty(30) days of the notification.
- 2.6 PROVIDER agrees to submit all claims (including secondary claims under Coordination of Benefits) for the Member, by electronic data interchange unless claims are allowed to be submitted by mail through the process outlined on pehp.org. If submitting by mail is allowed, PROVIDER must submit mail claims on a CMS-1500 or UB-04 form (whichever is applicable) or the most current Federally mandated form. PROVIDER must comply with the Health Insurance Portability and Accountability Act (HIPAA) standards as indicated in the Federal Register for electronic submission of claims. PROVIDER agrees to accept all remittance advice on an electronic format and all Payment via electronic funds transfer. Starting January 1, 2023, if Provider does not submit claims or receive remittance advice and Payment electronically, PEHP may deduct an appropriate administrative fee from paid claims in an amount outlined on www.pehp.org.
- 2.7 When submitting claims for the Member, PROVIDER agrees to use appropriate procedure and diagnostic codes that most closely identify services rendered to the Member, as defined by the standards of CMS code levels I-III, CPT guidelines, the appropriate corresponding ICD-9, ICD-10, or the most currently mandated Federal diagnosis or procedure codes, or as indicated on the Fee Schedule. PROVIDER acknowledges that claims submitted to PEHP will be subject to PEHP's code auditing product which evaluates code combinations during the processing of claims. PEHP's code auditing determinations are based on nationally recognized and accepted medical coding guidelines and sources. PROVIDER agrees to refrain from using any coding scheme that would tend to increase the amount of reimbursement beyond PEHP's Allowable Medical Expense. At the sole discretion of PEHP, any improper, illegal, unprofessional or inflationary coding which misrepresents, distorts, falsely reflects or adversely increases the benefits, may result in termination of this Agreement.
- 2.8 PROVIDER agrees to maintain medical records of the Member and preserve them for such time periods as are required by applicable law, regulations, and practices. Such medical records shall be treated as confidential so as to comply with all state and federal laws and regulations regarding the confidentiality of patient records. PROVIDER, upon request, shall release such records to PEHP, subject to such confidentiality requirements.
- 2.9 PROVIDER agrees that during PROVIDER's regular business hours and upon request, PEHP or PEHP's designated representative(s) shall have access to inspect, review and obtain copies of such records

(Section 2.9). When records are requested by PEHP in an on-site audit, PROVIDER shall produce copies of any such records for which PEHP shall reimburse PROVIDER no more than 10¢ per page, not to exceed \$20. However, in no event shall PEHP reimburse PROVIDER for copying records which are requested for Payment of a claim.

- 2.10 PROVIDER agrees that during regular business hours and upon reasonable notice, PEHP shall be permitted to conduct on-site evaluations and inspections of PROVIDER's place of business and/or service locations.
- 2.11 In performing the services herein specified, PROVIDER is acting as an independent contractor and shall not be considered as an agent or employee of PEHP. It is agreed and acknowledged by the parties that, as an independent contractor, PROVIDER retains sole and absolute discretion and judgment in the manner and means of providing health care services here under. In no event shall this Agreement be construed as establishing a partnership or joint venture or similar relationship between the parties hereto, and nothing herein contained shall be construed to authorize either party to act as agent for the other. PROVIDER shall be liable for PROVIDER's own debts, obligations, acts and omissions, including the payment of all required withholding ,social security and other taxes and benefits due in connection with any compensation received under this Agreement.
- 2.12 PROVIDER agrees to file a claim for Covered Services directly to PEHP within twelve (12) months from the date of service. PROVIDER further understands and agrees that claims received by PEHP twelve (12) months or more after the date of service are not eligible for Payment and charges for those Covered Services may not be billed to the Member. When PEHP is the secondary payor, it is the Member's responsibility to ensure that the PROVIDER submits claims to PEHP no later than fifteen (15) months from the date of service.
- 2.13 PROVIDER, on his/her own behalf and on behalf of all persons providing health care of any type (such persons shall be included in the definition of PROVIDER for purposes of these representations and warranties), hereby represents and warrants to PEHP as follows:
- (1) No malpractice actions or pending proceeding shave taken place in the past ten (10) years, which involve PROVIDER and have not been disclosed to PEHP;
 - (2) No malpractice settlements, judgments or arbitration proceedings have taken place in the past five (5) years, which involve PROVIDER and have not been disclosed to PEHP;

 - (7) PROVIDER has not been convicted of any felony or misdemeanor involving moral or ethical turpitude;

Provider's failure to notify PEHP of any of the above may, at PEHP's sole discretion, result in the termination of this Agreement or the termination of the PROVIDER. If PEHP determines in good faith that the health, safety or welfare of PEHP's Members would be jeopardized by the continuation of the PROVIDER, PEHP may immediately terminate PROVIDER from this Agreement or at PEHP's option suspend PROVIDER from this Agreement until PEHP is satisfied that PROVIDER has remedied the

situation.

- 2.14 If, during the period of this Agreement, there are changes in the status of any of the warranties listed in Section 2.14, PROVIDER agrees to immediately notify PEHP.
- 2.15 PROVIDER agrees to carry general and professional liability insurance at PROVIDER's expense in an amount typically held by those in the same specialty. If PROVIDER is or becomes uninsured at any time during the period of this Agreement, PROVIDER shall immediately inform PEHP, in writing, of this fact. Failure to maintain the required insurance under this provision shall result in termination of this Agreement.
- 2.16 PROVIDER agrees to be solely liable for any and all malpractice or professional negligence actions based on PROVIDER's acts or omissions.
- 2.17 PROVIDER acknowledges this Agreement pertains to PROVIDER's services only and may not be sold, transferred, extended to, assigned, or delegated by PROVIDER without prior written consent.
- 2.18 This Agreement supersedes any prior or contemporaneous agreement entered into between PROVIDER and PEHP.
- 2.19 At PEHP's discretion, PEHP may apply the terms of this Agreement to any individual provider who benefits from this Agreement and seeks payment for covered health care services rendered to a Member in any setting, location, or circumstance until [if] PROVIDER [fails to give] gives PEHP actual notice to terminate this Agreement or its application to the PROVIDER.

The myPEHP Provider website provides a means by which PROVIDERS may inquire about Plan coverage; Member eligibility, claims inquiry, Payment status, and other information or services that may be added or deleted from time to time (hereinafter referred to as services).

This agreement also takes into account that PEHP, a health plan, and said PROVIDERS are “covered entities” as defined by 45 CFR parts 160 and 164, Standards of Privacy of Individually Identifiable Health Information, and as such, are individually responsible for compliance with the provisions therein.

Therefore, in consideration of the mutual promises and covenants contained herein, the sufficiency of which is acknowledged, the parties agree as follows:

1. SERVICES

1.1 Availability. This Agreement applies to the services described, as modified and supplemented from time to time. Unless otherwise indicated in the related description, the myPEHP Provider website is available to PROVIDERS twenty-four (24) hours a day, seven (7) days a week. PEHP may temporarily suspend access and services at its discretion.

2.1 PROVIDER Responsibility for Use. PROVIDER will use the myPEHP Provider website in a manner consistent with applicable laws. PROVIDER is solely responsible for all use of PROVIDER’s myPEHP Provider website account and for any violation of the terms of this Agreement by anyone using PROVIDER’s account. For purposes of this Agreement, PROVIDER’s “use” (a) means (i) use by PROVIDER’s employees, agents or contractors who have obtained PROVIDER’s signature in their employment or engagement, (ii) use by PROVIDER’s employees, agents or contractors, who following their separation from employment or engagement from PROVIDER were enabled by the use of PROVIDER’s signature obtained in their employment or engagement, (iii) use by any person who obtains PROVIDER’s signature because of PROVIDER’s negligence, and (iv) use by any person who obtains PROVIDER’s signature from any person described in (i), (ii) or (iii) above and (b) specifically excludes the unauthorized use of PROVIDER’s myPEHP Provider website account by any person who is not described in (i)–(iv) above or who accesses or uses PROVIDER’s signature without authorization from same.

3. CONFIDENTIALITY, PRIVACY AND SECURITY

3.1 Use and Disclosure of Protected Health Information. The following provisions apply specifically to the possession, use and disclosure of Protected Health Information obtained by means of a transaction and is intended to document each party’s assurances that it will appropriately use and safeguard such data.

(a) Definition. “**Protected Health Information**” or “**PHI**” shall have the broadest meaning given under applicable laws and generally refers to individually identifiable health information transmitted or maintained in any form or medium.

(b) Standard. PEHP will not (and will require that its directors, officers, employees, contractors and agents do not) use or disclose PHI obtained from PROVIDER in any manner that would constitute a violation of law if so used or disclosed by PROVIDER. PEHP may use PHI (i) for PEHP’s proper management and administrative services or (ii) to carry out PEHP’s legal responsibilities.

(c) Obligations Regarding PHI. PEHP and PROVIDER each agree, for the benefit of each other and additionally for the benefit of the providers to whom PEHP or PROVIDER maybe a “business associate” under the Health Insurance Portability and Accountability Act (“**HIPAA**”) of 1996 and rules or regulations promulgated therein that:

- (i) both parties will not use or further disclose PHI in a manner that would violate the requirements of applicable laws, if so used or disclosed by the originator of the transaction;

- (ii) both parties will not use or further disclose PHI other than (A) as permitted or required by this Agreement or supplemental agreements now or hereafter existing which govern either party's business relationship or arrangement with other providers or (B) as required by law;
- (iii) both parties will implement appropriate safeguards to prevent use or disclosure of PHI, other than as provided by this Agreement (including the security procedures specified in the 45 CFR Parts 160 and 164);
- (iv) both parties will have a written policy to prevent the improper use or disclosure of PHI, including a procedure for notifying appropriate persons of the improper use or disclosure of PHI of which either party becomes aware;
- (v) PROVIDER will promptly report to PEHP (or, in the case of PEHP, to the affected PROVIDER) any instances of which either party becomes aware that the confidentiality of PHI has been breached;
- (vi) PROVIDER will promptly report to PEHP (or, in the case of PEHP, to the affected PROVIDER) any use or disclosure of PHI received or sent in a transaction of which either party becomes aware and which is not provided for by this Agreement;
- (vii) both parties will require that any third party, including agents and contractors agree to the same restrictions and conditions that apply to the PROVIDER with respect to such information, including those in this Section 3.1(c);
- (viii) both parties will make PHI available for amendment, to provide an accounting of disclosures or to comply with other requirements of applicable laws;
- (ix) both parties will make their internal practices, books and records relating to the use and disclosure of PHI available for purposes of determining their compliance with applicable laws pertaining to PHI; and
- (x) at termination of this Agreement, PROVIDER will return or destroy all PHI received in a transaction that is still maintained in any form and will retain no copies of such information or, if such return or destruction is not feasible, extend the protections of this Agreement and this Section 3.1 to the information and limit further use and disclosure to those purposes that make the return or destruction of the information not feasible.

(d) Breach. If PEHP or PROVIDER breaches a material obligation under this Section 3.1, or is in violation of the requirements of applicable laws respecting PHI, the non-breaching party in its sole discretion may take, but is not obligated to take, reasonable steps to cure the breach or terminate this Agreement or, if termination is not feasible, report the breach or violation to the Utah state and federal governmental authorities having jurisdiction.

(e) Incorporation of Additional Requirements; Construction. The requirements of applicable law pertaining to PHI, to the extent not adequately provided for in this Section 3.1 or elsewhere in this Agreement, are hereby incorporated by reference and shall become a part of this Agreement. This Agreement and Section 3.1 shall be construed as broadly as necessary to implement and comply with applicable privacy laws, including HIPAA. Section 3.1 is intended to document the assurances and other requirements respecting the use and disclosure of PHI that must be obtained by "covered entities" from contracting parties who are "business associates" under HIPAA and it will be modified as appropriate from time to time to comply with HIPAA.

3.2 Interception of Transactions. To the maximum extent permitted by law, PEHP is not liable for the interception by improper means or the theft by persons (other than PEHP employees, agents or contractors) of transactions carried on the myPEHP Provider website.

3.3 Signatures. Access to the myPEHP Provider website and use of services require an electronic identification, which may consist of user names, passwords, symbols or codes ("**signatures**"). PROVIDER SHALL MAINTAIN THE CONFIDENTIALITY AND CONTROL THE USE OF PROVIDER'S SIGNATURE. SUCH SIGNATURES SHALL BE DEEMED "CONFIDENTIAL INFORMATION" UNDER SECTION 3.1 OF THIS AGREEMENT.

Recipients of transactions will maintain the confidentiality of the signatures of other Providers affixed to or contained in such transactions.

3.4 Governmental Entities. PROVIDERS that are Utah governmental entities may be subject to the Government Records Access and Management Act (Utah Code Annot. (1953), §§ 63-2-101 *et seq.*, as amended, “GRAMA”). Under GRAMA, certain records within a governmental entity’s possession or control may be subject to public disclosure. Notwithstanding anything to the contrary in this Agreement, a PROVIDER that is a Utah governmental entity subject to GRAMA may disclose information to the extent required by GRAMA or as otherwise required by law.

4. AUDIT

4.1 PEHP will make its practices, books and records (excluding stored transactions, confidential information and PHI) relating to the safeguarding, protection, use and disclosure of PHI and confidential information available on reasonable advance notice for inspection by PROVIDER for purposes of determining compliance with Section 3.1. PEHP will, at the request of PROVIDER, make available an accounting of PEHP’s further disclosures of PHI and confidential information disclosed by PROVIDER. In addition, if PEHP has reasonable cause to believe that PROVIDER use of the myPEHP Provider website is not in compliance with this Agreement or 45 CFR Parts 160 & 164, PEHP may audit stored transactions for compliance, *provided that* PEHP first notifies PROVIDER of the audit and gives PROVIDER the opportunity to have a representative present. Any audit shall be conducted so as not to cause the improper disclosure or use of transactions or their content.

5. CONTRACTORS

5.1 PEHP may perform their obligations under this Agreement directly or through contractors. PEHP shall cause its contractors to comply with the obligations, restrictions and conditions applicable to PEHP regarding the contents of transactions, confidential information, security and privacy contained in Section 3. Notwithstanding that PEHP may contract certain communication and support services, PEHP shall remain primarily responsible for the performance of such services.
