Understanding Direct Primary Care Services

A Direct Primary Care Provider charges a monthly fee for all of your primary care needs. While DPCs do not contract with insurance companies, PEHP helps you pay for your DPC monthly fee by submitting this form. Providing a range of options for primary care is important to us because we know it's important to you.

Reimbursement Eligibility

- » You must have primary coverage with PEHP that includes out-of-network benefits.
- » Fees must cover at least a 3-month period.
- » You must not have received primary care services from another provider during the 3-month period for which you are seeking reimbursement.
