The information provided above is not a comprehensive list of all available coverages. Exclusions may apply, and specific terms and conditions may vary. For complete coverage options available, please refer to the sample policy documents on GetOdie.com. Additionally, for details regarding our Accident Only plan, please visit Odie's official website or consult with one of our authorized representatives. Policies do not cover pre-existing conditions, including those where clinical signs are present prior to the effective date of the policy or during the waiting periods. Waiting periods, annual deductible, co-insurance, benefit limits and exclusions may apply.
