In- and Out-of-Network deductibles and Out-of-Pocket Maximums are combined and accumulate together.

\*Out-of-Network Providers may charge more than the In-Network Rate unless they have an agreement with you not to. Any amount above the In-Network Rate may be billed to you and will not count toward your deductible or Out-of-Pocket Maximum. You pay 20% of the In-Network Rate after Out-of-Pocket Maximum is met for Out-of-Network Providers.
